

The City of San Jose
Presents

Residential Electrical Code Requirements

This one-day seminar will provide an overview of residential requirements of the 2002 National Electric Code (NEC). Inspectors, contractors, designers and those interested in general electrical issues will benefit from this seminar. Darkmoon Cliffdweller, "DM" is a national educator on electrical code issues and he has been affiliated with IAEI for many years. DM is from the State of New Mexico and he is a very popular speaker. If you need help in understanding the provisions of the NEC; or, if you want your job to pass inspection with ease; or, if you simply want to gain a better understanding of some key provisions in the NEC, you won't want to miss this seminar. Seating is limited and is reserved on a first-come registration basis.
